About Multiplan PHCS PPO Network:

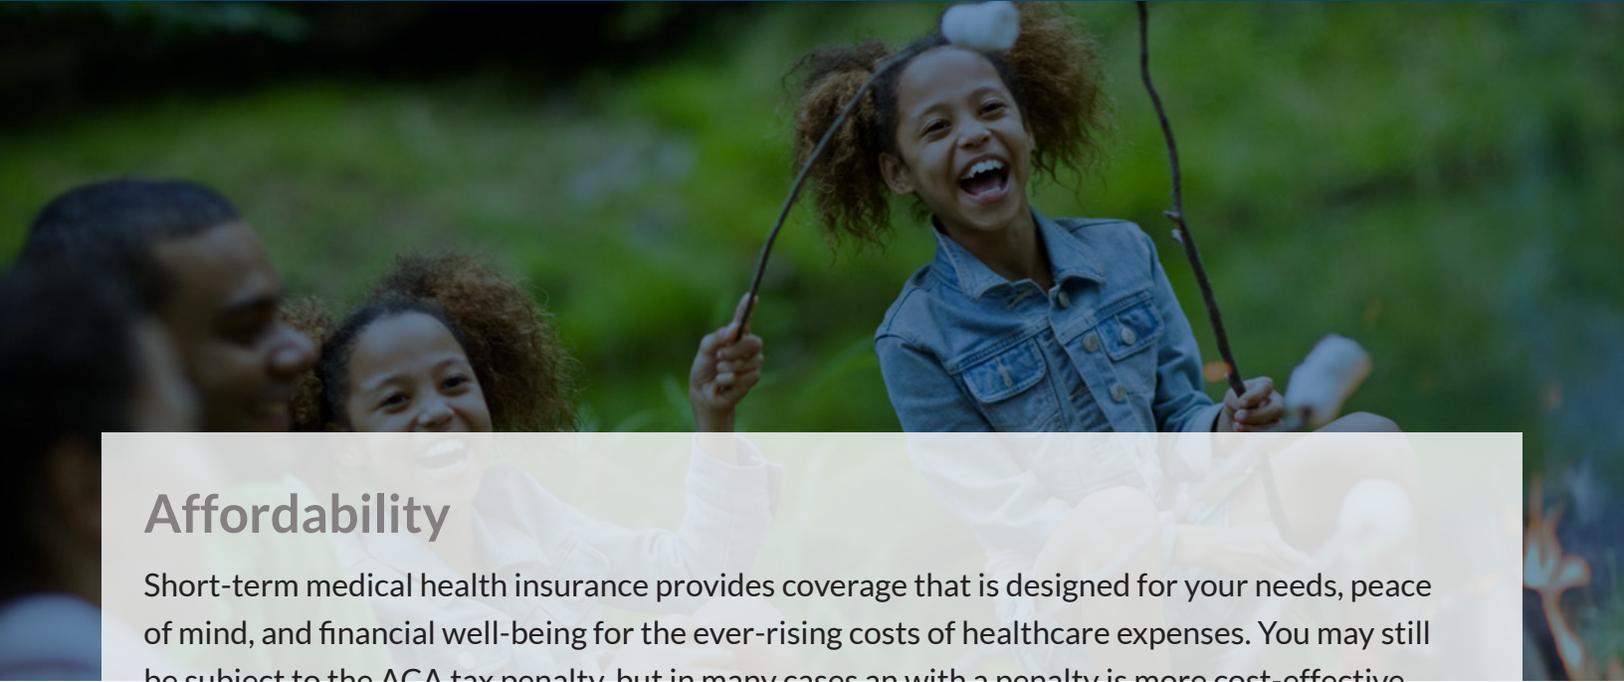

PHCS (Private Healthcare Systems) was acquired by Multiplan in October 2006 and the PHCS PPO networks are now part of MultiPlan. Founded in 1980, MultiPlan is the nation's oldest and largest supplier of independent, network-based cost management solutions. MultiPlan has almost 900,000 healthcare providers under contract, an estimated 57 million consumers accessing the network products, and 110 million claims processed through the networks each year, giving them more of the experience and resources healthcare payers and providers need to face today's unprecedented cost and competitive pressures.

In addition to regional PPO networks in Wisconsin and the southwest, MultiPlan is also the only company that can offer access to the leading independent national primary PPO, as well as their complementary network, and negotiation and medical reimbursement services through a single electronic claim submission.

MultiPlan has the know-how and creativity to offer more choices and more value for today's healthcare payers and providers.

Multiplan PHCS is not an insurance benefit, it is a discount benefit and is not affiliated with Med-Sense Guarantee Association, Lifeshield National Insurance Co., or Agilehealthinsurance.
